### Poetic Justice

One focus of Latter Rain Publishing, LLC is on the building of the arts. That's just one of the reasons we are dedicated to helping artists who have limited resources, as well as those who just don't know where to start, to follow their dreams. If you are a poet, and you have a **single poem** of which you are particularly proud, send it to [2educateus@gmail.com](mailto:2educateus@gmail.com). If chosen, your poem will be featured on the Latter Rain Publishing, LLC "Featured Works" webpage. The poem will run for 5 days, and you will be eligible for inclusion in a compilation of poetry to be published by Latter Rain, and available to you for the price of publication.

Simply email your poem to [2educateus@gmail.com](mailto:2educateus@gmail.com). Please ensure that a copyright has been obtained for your work. All works submitted to Latter Rain Publishing, LLC will require a [copyright](#), which is \$35.00 for a work of the performing arts. Find Form TX (literary work) [here](#). You will be required to submit an electronic version of the copyright receipt to Latter Rain Publishing, LLC. If you choose to have Latter Rain obtain the copyright, there will be an additional \$25.00 processing fee, and we will be listed as co-owner of the work.
